How to Search Jane's Online

Jane's Online presents country by country internal and external security and threat assessments, defense news and analysis, and order of battle information for armies, navies and air forces worldwide. The database includes information on military systems and equipment and on geopolitical and terrorism intelligence. A wide range of *Jane's* publications may be searched for full-text news articles and military and defense information.

PART I: ACCESSING Jane's

From within the NWC Library:

- Open up Internet Explorer. From the NWC Intranet, select *NWC Library Homepage* (under Research Sources). Click *Databases*; click *Internal User Access*; select **Jane's Online**.

From outside the NWC Library:

- Go to the Library's homepage http://www.nwc.navy.mil/library.
- Click *Databases*; *External User Access;* select **Jane's Online**.
- Enter your proxy server account username and password.

PART II: SEARCHING Jane's

- There are two ways to search **Jane's**

    1A: Select the *Quick Search* Option

   **1B:** Select *My Account* or *Subscription Services*

1A

Quick
Search

1B

Select **My Account** or **Subscription Services** to identify & browse/search specific *Jane's* publications available to the NWC Library community.

1A: Quick Search

Enter keywords here.

Notice Image search.

Notice Advanced Search.

- Use **AND** to separate search terms; use **OR** to match terms.
- Searching for a phrase such as "precision munitions" requires the use of quotation marks.
- Search for an image from the **Quick Search** page by selecting the *Jane's Images* tab.

1B: Searching My Account or Subscription Services

Search specific Jane's journals

Browse Security Assessments by region.

Scroll through the Jane's products available to NWC.

PART III: ADVANCED SEARCHING

- Advanced Searching allows the user to search a specific collection such as the complete *Defense Magazine Library*.

Please see a Reference Librarian for further assistance.
